DEPARTMENT OF STATE

[Public Notice 1554]

Statutory Debarment Under the International Traffic in Arms Regulations

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: Notice is hereby given of which persons have been statutorily debarred pursuant to § 127.6(c) of the International Traffic in Arms Regulations (ITAR) (22 CFR parts 120-130).

EFFECTIVE DATE: December 19, 1991.

FOR FURTHER INFORMATION CONTACT: Clyde G. Bryant Jr., Chief, Compliance Analysis Division, Office of Defense Trade Controls, Department of State (703-875-6650).

SUPPLEMENTARY INFORMATION: Section 38 (g)(4)(A) of the Arms Export Control Act (AECA) prohibits the issuance of export licenses to a person, or any party to the export, who has been convicted of violating certain U.S. criminal statutes, including the AECA. The term "person" means a natural person as well as a corporation, business association, partnership, society, trust, or any other entity, organization, or group, including governmental entities. The term "party to the export" means the president, the chief executive officer, and other senior officers of the license applicant; the freight forwarders or designated exporting agent of the license applicant; and any consignee or end user of any item to be exported. The statute permits certain limited exceptions to this prohibition to be made on a case-by-case basis.

Section 127.6 of the ITAR authorizes the Assistant Secretary of State for Politico-Military Affairs to prohibit certain persons convicted of violating or conspiracy to violate the AECA from participating directly or indirectly in the export of defense articles or in the furnishing of defense services.

Such a prohibition is referred to as a statutory debarment, which may be imposed on the basis of judicial proceedings that resulted in a conviction for violating, or of conspiring to violate, the AECA. See 22 CFR 127.6(c). The period for debarment will normally be three years. The ITAR provides the Assistant secretary with discretion to determine an alternative period of time for debarment. At the end of the debarment period, licensing privileges may be reinstated at the request of the debarred person following the necessary interagency consultations, after a thorough review of the circumstances surrounding the conviction and a finding that appropriate steps have been taken to mitigate any law enforcement concerns, as required by section 38(g)(4).

Statutory debarment is based solely upon the outcome of a criminal proceeding, conducted by a court of the United States, that established guilt beyond a reasonable doubt in accordance with due process. Thus, those procedures of part 128 of the ITAR that apply to administrative debarment are not applicable in such cases.

During the period of debarment the Department of State will not consider applications for licenses or requests for approvals that involve any person or any party to the export who has been convicted of violating the AECA, or of conspiracy to violate the AECA. Persons who have been statutorily debarred may appeal to the Under secretary for International Security Affairs for reconsideration of the ineligibility determination. A request for reconsideration must be submitted in writing within 30 days after a person has been informed of the adverse decision.

The Department of state policy permits debarred persons to apply for an exception from the debarment under section 38 (g)(4)(A) of the AECA, one year after the date of the debarment. Debarred persons may seek such an exception from the Director of the Office of Defense Trade Controls, in accordance with section 38 (g)(4)(A) and under 22 CFR 127.6. If the exception is granted, the debarment will be suspended. Any decision to grant an exception can be made only after the statutory requirements under section 38(g)(4) have been satisfied.

Pursuant to section 38 (g)(4)(A) of the AECA and § 127.6 of the ITAR, the Assistant Secretary for Politico-Military Affairs has debarred eight persons who have been convicted of violating the AECA, or of conspiracy to violate the AECA.

These persons have been debarred for a three year period following their conviction, and have been so notified by a letter from the Office of Defense Trade Controls. Pursuant to section 127.6(c) of the ITAR, the names of these persons (and their offense, date of conviction(s) and court of conviction(s)) are being published in the **Federal Register**. Anyone who requires additional information to determine whether a person has been debarred should contact the Office of Defense Trade Controls.

This notice involves a foreign affairs function of the United States and is thus excluded from the procedures of 5 U.S.C. 553 and 554 and Executive Order 12291 (44 FR 13193). It implements statutory and regulatory requirements that entered into force on December 22, 1987 and April 4, 1988, respectively.

In accordance with these authorities the following persons are debarred for a period of three years following their conviction for violating, or conspiring to violate, the AECA (name/offense/ date/ court):

1. H. Leonard Berg, 18 U.S.C. 371, (conspiracy to violate 22 U.S.C. 2778), and 22 U.S.C. 2778, June 23, 1989, Eastern District of New York.
