[Public Notice 6723]

Defense Trade Advisory Group; Notice of Membership

AGENCY: Department of State.

ACTION: Notice.

The U.S. Department of State’s Bureau of Political-Military Affairs’ Defense Trade Advisory Group (DTAG) is accepting membership applications for the 2010–2012 term. The Bureau of Political-Military Affairs is interested in applications from representatives of the United States defense industry, relevant trade and labor associations, academia, and foundation personnel.

The DTAG was established as a continuing committee under the authority of 22 U.S.C. Sections 2651a and 2656 and the Federal Advisory Committee Act, 5 U.S.C. App. ("FACA"). The purpose of the DTAG is to provide the Bureau of Political-Military Affairs with a formal channel for regular consultation and coordination with U.S. private sector defense exporters and defense trade specialists on issues involving U.S. laws, policies, and regulations for munitions exports. The DTAG advises the Bureau on its support for and regulation of defense trade to help ensure that impediments to legitimate exports are reduced while the foreign policy and national security interests of the United States continue to be protected and advanced in accordance with the Arms Export Control Act (AECA), as amended. Major topics addressed by the DTAG include (a) Policy issues on commercial defense trade and technology transfer; (b) regulatory and licensing procedures applicable to defense articles, services, and technical data; (c) technical issues involving the U.S. Munitions List (USML); and (d) questions relating to applications designed to carry out the AECA and International Traffic in Arms Regulations (ITAR).

Members are appointed by the Assistant Secretary of State for Political-Military Affairs as representatives of their organizations, companies, or sectors, on the basis of substantive and technical expertise and qualifications. The 2010–2012 DTAG will be expected to represent the views of their organizations, being selected from a representative cross-section of subject matter experts from the United States defense industry, relevant trade and labor associations, academia, and foundation personnel. All DTAG members shall be aware of the Department of State’s mandate that arms transfers must further U.S. national security and foreign policy interests. DTAG members also shall be versed in the complexity of commercial defense trade and industrial competitiveness, and all members must be able to advise the Bureau on these matters.

DTAG members’ responsibilities include:

- Service for a consecutive two-year term which may be renewed or terminated at the discretion of the Assistant Secretary of State for Political-Military Affairs (membership shall automatically terminate for members who fail to attend two consecutive DTAG plenary meetings).
- Making recommendations in accordance with the DTAG Charter and the FACA.
- Making policy and technical recommendations within the scope of the U.S. commercial export control regime as mandated in the AECA, the ITAR, and appropriate directives.

Please note that DTAG members may not be reimbursed by the Department of State or any other USG agency for travel, per diem, and other expenses incurred in connection with their duties as DTAG members.
