the Commission were held on October 23–24, 2006, in Santiago, Chile.

At the fourth Council meeting held on April 24, 2008, in Santiago, Chile, the Council discussed the implementation of Chapter 19 of the FTA with respect to public participation, progress reports on the eight cooperative projects under Chapter 19, implementation of the 2005–2006 Work Program, and elaboration of the 2007–2008 Work Program. At that meeting the Trade and Environment Policy Advisory Committee and Chile’s Advisory Committee held the first ever exchange between FTA-related trade and environment advisory committees.

At the upcoming fifth meeting of the Council, the Council will review the status of implementation of Chapter 19 and receive reports on levels of environmental protection (Article 19.1), enforcement of environmental laws (Article 19.2), opportunities for public participation (Article 19.4), the environment roster (Article 19.7), procedural matters (Article 19.8) and principles of corporate stewardship (Article 19.10). The Council will also assess the progress of projects outlined in Annex 19.3, the roles and activities of the Trade and Environment Policy Advisory Committee and the public advisory committee that advises the Chilean government on trade and environment policy issues, and the 2009–2010 Work Program Pursuant to the ECA. At its third meeting, the Commission, during a Joint Public Session with the Council, will receive reports on progress of implementing the 2007–2008 ECA Work Program and review and approve a new work program. At these meetings, the Council and Commission will also consider recommendations for future bilateral environmental cooperation. The public is advised to refer to the State Department Web site at http://www.state.gov/g/oes/env/trade/chile/index.htm and the USTR Web site at http://www.USTR.gov for further information.

[Docket No. FHWA–2009–0123]

Notice of Funding Availability for Applications for Credit Assistance Under the Transportation Infrastructure Finance and Innovation Act (TIFIA) Program; Clarification of TIFIA Selection Criteria; and Request for Comments on Potential Implementation of Pilot Program To Accept Upfront Payments for the Entire Subsidy Cost of TIFIA Credit Assistance

AGENCY: Federal Highway Administration (FHWA), Federal Railroad Administration (FRA), Federal Transit Administration (FTA), Maritime Administration (MARAD), Office of the Secretary of Transportation (OST), U.S. Department of Transportation (DOT).

ACTION: Notice of Funding Availability; Clarification of Selection Criteria; Request for Comments.

SUMMARY: The DOT’s TIFIA Joint Program Office (JPO) announces the availability of a limited amount of funding in fiscal year (FY) 2010 to support new applications for credit assistance. Under TIFIA, the DOT provides secured (direct) loans, lines of credit, and loan guarantees to public and private applicants for eligible surface transportation projects of regional or national significance. Projects must meet statutorily specified criteria to be selected for credit assistance. Because demand for the TIFIA program now exceeds budgetary resources, the DOT hereby formally
