

Name Change of EADS-Deutschland's Augsburg Facility to Premium AEROTEC GmbH and Transfer to EADS N.V.

Effective January 1, 2009, the EADS-Deutschland facility located at Haunstetter Strasse 225, 86179 Augsburg, Germany, will be re-named Premium AEROTEC GmbH. As a result of the re-naming, Premium AEROTEC GmbH's ownership will be transferred to EADS N.V. of The Netherlands. Due to the volume of authorizations requiring amendments to reflect this name change, DDTC is exercising its authority at 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations. **This decision does not authorize access by EADS N.V. to previously authorized defense articles and technical data. Any access must be the subject of a separate authorization.**

All currently approved DSP authorizations identifying EADS-Deutschland at the Augsburg facility will not require an amendment to reflect the name change to Premium AEROTEC GmbH. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying EADS-Deutschland at the Augsburg facility as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **January 15, 2009**, identifying EADS-Deutschland at the Augsburg facility as a party to the license will be considered for return without action for correction to the new name.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect these name changes. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted

as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreements applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
