**DDTC Authorization of BAX Global, Inc.
Forwarder Designation as
Applicable to Export Forwarding Under
Schenker, Inc.**

DDTC has been advised that effective March 1, 2009 the majority of the international freight forwarding services of BAX Global Inc. are to be transferred to Schenker, Inc. Since BAX Global and Schenker are wholly owned subsidiaries of The Stinnes Corporation, a PM/DTC registered company, and to alleviate the burden to the trade community and DDTC, DDTC is exercising its authority under 22 CFR 126.3 to waive the requirements for amendments to change currently approved authorizations for BAX Global Inc. to add rights for Schenker, Inc.

Effective immediately, all currently approved authorizations identifying BAX Global Inc. will now be accepted as also permitting forwarding rights by Schenker, Inc.

Effective with this notice new license applications and requests identifying forwarder authority must specify Schenker, Inc., a wholly owned subsidiary of Stinnes Corporation, and/or BAX Global Inc., a wholly owned subsidiary of Stinnes Corporation, as applicable.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at the time of export shipment.
