

Goodrich Control Systems to Rolls-Royce Goodrich Engine Control Systems Ltd.

Effective December 31, 2008, the following 3 Goodrich Control Systems operations in the United Kingdom will be renamed Rolls-Royce Goodrich Engine Controls Systems Ltd. as a result of a joint venture between Goodrich Corporation and Rolls-Royce plc:

- Shaftmoor Lane
Hall Green
Birmingham B28 8SW
UK
- York Road
Hall Green
Birmingham B28 8LN
UK
- 4 Bruce Street
Belfast BT2 7LA
Northern Ireland

Due to the volume of authorizations requiring amendments to reflect this name change, DDTC is exercising its authority at 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved authorizations identifying one of the Goodrich Control Systems facilities listed above will not require an amendment to reflect the name change to Rolls-Royce Goodrich Engine Control Systems Ltd. A copy of this website notice must be attached to the currently approved license by the license holder. Subsequent re-export of items may be made to the approved parties on the license via Rolls-Royce plc.

Pending authorizations received by DDTC identifying one of the subject Goodrich Control Systems facilities as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **January 31, 2009**, identifying one of the subject Goodrich Control Systems facilities as a party to the license will be considered for return without action for correction to the new name and inclusion of both Rolls-Royce plc and Goodrich Control Systems as Foreign Intermediate Consignees.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect these name changes. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such no later than February 28, 2009. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreements applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
