

## **Goodrich Control Systems Limited to Goodrich Control Systems**

Effective December 19, 2008, Goodrich Control Systems Limited operations in the United Kingdom will be named Goodrich Control Systems. Due to the volume of authorizations requiring amendments to reflect this name change, DDTC is exercising its authority at 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved authorizations identifying Goodrich Control Systems Limited will not require an amendment to reflect the name change to Goodrich Control Systems. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying Goodrich Control Systems Limited as a party to license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **January 31, 2009**, identifying Goodrich Control Systems Limited as a party to the license will be considered for return without action for correction to the new name.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect these name changes. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such no later than February 19, 2009.

Pending agreements applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
