Effective immediately, HS Aerospace Dijon SAS has acquired Sundstrand International SA. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under SS CFR 126.3 to waive the requirement for formal amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying Sundstrand International SA will not require an amendment to reflect the change to HS Aerospace Dijon SAS. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying Sundstrand International SA as a party to the license on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after February 28, 2013, identifying Sundstrand International SA as a party to the license on the license will be considered for return without action for correction.

All currently approved agreements will require an amendment to be executed to reflect the acquisition. The U.S. agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying Sundstrand International SA will be adjudicated without prejudice. With the filing of the executed agreement, the U.S. agreement holder must attach a copy of this web notice as explanation for the change in the executed agreement.
