

ITT Corporation Changing to Exelis, Inc., Xylem Inc., and ITT Corporation

Effective **1 November 2011**, **ITT Corporation** separated into three publicly traded companies: **ITT Corporation, Exelis, Inc.** and **Xylem, Inc.** Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying **ITT Corporation** will not require an amendment to reflect the change to **either Exelis, Inc.** or **Xylem, Inc.** if required. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying **ITT Corporation** as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

All currently approved agreements held by a third-party will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such.

Pending agreement applications identifying **ITT Corporation** will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.

Affected entities will be notified by ITT Corporation if their authorization is impacted.
