MTU Aero Engines Holding AG
Changes Name to
MTU Aero Engines AG

Effective immediately, MTU Aero Engines Holding AG will change as follows: MTU Aero Engines AG. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls, Bureau of Political Military Affairs is exercising the authority under 22 CFR 126.3 to waive the requirement for formal amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying MTU Aero Engines Holding AG will not require an amendment to reflect the change to MTU Aero Engines AG. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying MTU Aero Engines Holding AG as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after July 31, 2013, identifying MTU Aero Engines Holding AG as a party to the license will be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect the name change. The U.S. agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying MTU Aero Engines Holding AG will be adjudicated without prejudice. With the filing of the executed agreement, the U.S. agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
