

****Revised** Establishment of Swedish Defence and Security Export Agency (FXM)**

Effective immediately, the responsibility for export contracts will transfer from the **Swedish Defence Materiel Administration (FMV)** to the **Swedish Defence and Security Export Agency (FXM)**. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying the **Swedish Defence Materiel Administration (FMV)** will not require an amendment to reflect the transfer to the **Swedish Defence and Security Export Agency (FXM)**. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC identifying the **Swedish Defence Materiel Administration (FMV)** as a party to the license will be adjudicated without prejudice. Once approved, the approval will apply to both the **Swedish Defence Materiel Administration (FMV)** and the **Swedish Defence and Security Export Agency (FXM)**.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
