Washington, D.C. 20520

JAN 19 2001

Dear Mr. Speaker:

Consistent with section 36(c) of the Arms Export Control Act and Title IX of Public Law 106-79, I am transmitting herewith certification of a proposed license for the export of defense articles to India.

The President made a determination in a manner consistent with Title IX of the Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive certain sanctions on India in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to India pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in section 36(c) of the Arms Export Control Act, and the Administration is treating authorization for the requested re-export consistent with these provisions.

The transaction described in the attached certification involves the transfer of certain S-61 helicopter parts from the United Kingdom to India.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the
