

United States Department of State

Washington, D.C. 20520

JUL 26 . . .

Dear Mr. Speaker:

Pursuant to Section 9001(e) of Public Law 106-79 and consistent with Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles to Pakistan.

The President made a determination in a manner consistent with Title IX of the Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive sanctions on Pakistan in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to Pakistan pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in Section 36(c) of the Arms Export Control Act and the Administration is treating authorization for the requested export consistent with these provisions.

The transaction described in the attached certification involves the retransfer of spare parts for the RS-710 infrared line scanner to Pakistan.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights and arms control considerations.

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul V. Kelly".

Paul V. Kelly  
Assistant Secretary
