

United States Department of State

Washington, D.C. 20520

APR 29 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and defense services to South Korea for the manufacture of X1100-5A3 transmissions for the Korean K95 Mobile Howitzer and K1A1 Main Battle Tank for end-use in South Korea, Turkey, Spain, Saudi Arabia and Chile.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary

Transmittal No. DDTC 007-04
