Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense services, technical data and defense articles to Canada and the United Kingdom supporting Management Data Terminals for the BOWMAN communications system for ultimate end-use by the United Kingdom Ministry of Defence.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with the first name "Paul" being the most prominent.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 022-04
