

United States Department of State

Washington, D.C. 20520

JUL - 9 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a license for the export of defense services, technical data and defense articles abroad in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export to the United Kingdom of defense services, technical data and defense articles related to the integration of weapon systems into a Tactical Command and Sensor System for the MRA4 Maritime Patrol Aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".
