Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of revolvers and pistols (calibers .17, .22, .32, .38, .357, .40, .41, .44, .45, .50, 9mm and .10mm) for export to Belgium for distribution to governments and private entities in the following sales territories: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Italy, Ireland, Luxembourg, Netherlands, Norway, Portugal, Poland, Spain, Sweden, Switzerland and United Kingdom.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with a long horizontal stroke at the end.
