

United States Department of State

Washington, D.C. 20520

JAN 30 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of unclassified technical data and assistance to Jordan for the installation and maintenance of the Integrated Fire Control System (IFCS) for the AB9B1 M60 Tank Upgrade Program for use by the Jordanian Armed Forces.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with a long horizontal stroke at the end.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 128-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
