Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement involving the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the export to Norway of technical data, assistance and defense articles for the manufacture and assembly of small diameter unguided sounding rockets for end-use in Belgium, Denmark, France, Greece, Italy, Luxembourg, The Netherlands, Norway, Poland, Portugal, Spain, United Kingdom, United States, Finland, Austria, Ireland, Lithuania, Sweden and Switzerland.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly  
Assistant Secretary
