

United States Department of State

Washington, D.C. 20520

MAY 11 1995

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services, technical data and defense articles for the manufacture in the Republic of Korea of F-15 wings, forward fuselage and adapter shape assemblies for return to the United States for final assembly.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".
