

United States Department of State

Washington, D.C. 20520

JUL 10 2008

Dear Madam Speaker:

Pursuant to sections 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of an application for a license for the manufacture of Significant Military Equipment abroad and the export of technical data, defense services, and defense articles in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, including technical data, and defense services to South Africa in support of the manufacture of the RG-33 Family of Military Vehicles.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Matthew A. Reynolds  
Acting Assistant Secretary  
Legislative Affairs
