

United States Department of State

Washington, D.C. 20520

SEP 15 2006

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment.

The transaction described in the attached certification involves the transfer of technical data, assistance and manufacturing know-how to the United Kingdom for the manufacture of the Centaur High Capacity Data Radio for sale to Poland.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 048-06
