

United States Department of State

Washington, D.C. 20520

SEP 29 2006

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the transfer of technical data and services to Canada for the design, development, manufacture, testing, and delivery of systems and components for the AH-64 Apache Helicopter Drive System.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner
Assistant Secretary

Transmittal No. DDTC 055-06
