

United States Department of State

Washington, D.C. 20520

Dear Madam Speaker:

SEP 27 2007

Pursuant to Sections 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad and the export of defense services and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to South Korea to support the manufacture of the Korean Commander's Panoramic Sight (KCPS) for the K1 Main Battle Tank.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner  
Assistant Secretary  
Legislative Affairs
