

Certain Alliant Techsystems, Inc. (ATK) Business Units
Changing to Alliant Techsystems Operations LLC

Effective **August 01, 2011**, certain **Alliant Techsystems, Inc. (ATK)** business units, listed below, have changed to **Alliant Techsystems Operations LLC**. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying these **Alliant Techsystems, Inc. (ATK)** entities will not require an amendment to reflect the change to **Alliant Techsystems Operations LLC**. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC that identify these **Alliant Techsystems, Inc. (ATK)** entities as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **September 30, 2011**, identifying these **Alliant Techsystems, Inc. (ATK)** entities as a party to the license may be considered for return without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs at time of shipment.

All currently approved agreements held by a third-party will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such.

Pending agreement applications identifying **Alliant Techsystems, Inc. (ATK)** will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
