

**Allen-Vanguard Corporation of Canada acquired by
Contego AV Luxembourg S.a.r.l.**

Effective immediately, **Contego AV Luxembourg S.a.r.l. acquired Allen-Vanguard Corporation of Canada.** Allen-Vanguard Corporation has two subsidiaries affected by this acquisition: Allen-Vanguard Technologies, Inc. of Canada and Allen-Vanguard Limited of the UK. There are no name changes resulting from the acquisition nor any retransfer of defense articles and/or technical data. As such, DDTC has determined that all currently approved DDTC authorizations do not require an amendment to reflect this acquisition. However any U.S applicant with a DDTC authorization identifying of the above-mentioned entities must maintain a copy of this web notice with the authorization records.

If Contego AV Luxembourg S.a.r.l. will require access to USML-controlled defense articles and/or technical data, separate authorization will be required in the form of a new DSP license or an amendment to an agreement.
