

United States Department of State

Washington, D.C. 20520

OCT - 1

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles or defense services sold commercially under a contract in the amount \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and engineering information to Japan for the manufacture of Chukar II and III target drone systems for use by the Japanese Government.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 108-01
