Washington, D.C. 20520

OCT 21 2002

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement involving the manufacture in Italy of significant military equipment.

The transaction described in the attached certification involves the transfer of technical data and defense services for the replication of HAVE QUICK II software object code for incorporation into Italian manufactured radio equipment for sale to Australia, Belgium, Canada, Denmark, Greece, The Netherlands, Norway, Portugal, South Korea, Spain, Turkey, France, Poland and Oman.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs
