

United States Department of State

Washington, D.C. 20520

OCT 21 2002

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement with the United Kingdom for the manufacture of Significant Military Equipment overseas.

The transaction described in the attached certification involves the transfer of technical data, assistance and manufacturing know-how to the United Kingdom for the manufacture of seeker and roll gyros for the United Kingdom Ministry of Defence's Javelin Anti-Tank Weapon System.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with a large loop at the end.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DTC 275-02

The Honorable

Speaker of the House of Representatives.
