Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement with Chile, Germany and the United Kingdom for the manufacture of Significant Military Equipment overseas.

The transaction described in the attached certification involves the transfer of technical data, assistance and manufacturing know-how to Chile, jointly with Germany and the United Kingdom, for the overhaul and upgrade of up to 158 military ground vehicles for use by the Chile Ministry of Defense.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 276-02

J. Dennis Hastert,

Speaker of the House of Representatives.
