

United States Department of State

Washington, D.C. 20520

JUL -9 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of 472 M240 7.62mm caliber machine guns and supporting equipment to the Israeli Ministry of Defense for use by the Israeli Armed Forces.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".
