Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of major defense equipment and defense articles in the amount of \$25,000,000 or more.

The transaction contained in the attached certification involves the export to Turkey of two Model S-70A helicopters and one lot of spare parts and ground support equipment to fulfill the helicopter mission requirement of the Special Aviation Regiment Command of the Government of Turkey.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".
