

United States Department of State

Washington, D.C. 20520

NOV 21 2003

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the transfer of technical data, assistance and manufacturing know-how to Canada for the manufacture of Infrared Detectors for the Paveway II, III, IV and the Enhanced Paveway II and III Weapon System for end-use in the United States.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul V. Kelly", with a stylized flourish at the end.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 121-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
