

United States Department of State

Washington, D.C. 20520

MAY 15 2006

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services and hardware to Israel for the manufacture of F/A-18 A/B/C/D Series aircraft landing gear parts and components.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner
Assistant Secretary
