

DC  
United States Department of State

Washington, D.C. 20520

APR 26 2007

Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data, defense articles, and defense services to Germany for the manufacture of chemical defense fabrics for end-use by the Ministries of Defense within the authorized sales territory.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner  
Assistant Secretary  
Legislative Affairs
