

United States Department of State

Washington, D.C. 20520

OCT 19 2007

Dear Madam Speaker:

Pursuant to Section 36(c) and 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a manufacturing license agreement for the manufacture of significant military equipment abroad and the export of defense articles or defense services in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the export of defense services, technical data and defense articles to Japan to support the manufacture and maintenance of the AN/AAS-44(JM) and the TIFLIR-49(JM) Infrared Detecting System for the Japan Maritime Self Defense Force (JMSDF).

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey T. Bergner".

Jeffrey T. Bergner  
Assistant Secretary
