## DEPARTMENT OF STATE

### 22 CFR Part 121

[Public Notice: 10486]

RIN 1400-AE70

#### Continued Temporary Modification of Category XI of the United States Munitions List

**AGENCY:** Department of State.

**ACTION:** Final rule; notice of temporary modification.

**SUMMARY:** The Department of State, pursuant to its regulations and in the interest of the security of the United States, temporarily modifies paragraph (b) in Category XI of the United States Munitions List (USML).

**DATES:** Amendatory instructions 1 and 2 are effective August 30, 2018. Amendatory instruction No. 3 is effective August 30, 2019.

**FOR FURTHER INFORMATION CONTACT:** Mr. Robert Monjay, Office of Defense Trade Controls Policy, Department of State, telephone (202) 663-2817; email [monjayr@state.gov](mailto:monjayr@state.gov). ATTN: Temporary Modification of Category XI.

**SUPPLEMENTARY INFORMATION:** On July 1, 2014, the Department published a final rule revising Category XI of the USML, 79 FR 37536, effective December 30, 2014. That final rule, consistent with the two prior proposed rules for USML Category XI (78 FR 45018, July 25, 2013 and 77 FR 70958, November 28, 2012), revised paragraph (b) of Category XI to clarify the extent of control and maintain the existing scope of control on items described in paragraph (b) and the directly related software described in paragraph (d).

The Department later determined that exporters may read the revised control language to exclude certain intelligence-analytics software that has been and remains controlled on the USML. Therefore, the Department determined that it was in the interest of the security of the United States to temporarily revise USML Category XI paragraph (b), pursuant to the provisions of § 126.2, while a long-term solution was developed. The Department published a final rule on July 2, 2015 (80 FR 37974) that temporarily modified USML Category XI(b) until December 29, 2015. The Department published a final rule on December 16, 2015 (80 FR 78130) that continued the July 2, 2015 modification to August 30, 2017. The Department published a final rule on August 30, 2017 (82 FR 41172) that continued the December 16, 2015 modification to August 30, 2018.

The temporary revision clarified that the scope of control in existence prior to December 30, 2014 for USML paragraph (b) and directly related software in paragraph (d) remains in effect. This clarification is achieved by reinserting the words "analyze and produce information from" and by adding software to the description of items controlled.

The Department, with its interagency partners, continues to develop a long term solution for USML Category XI(b). However, that solution will not be in place when the current temporary modification expires on August 30, 2018. Therefore, the Department has determined, for the national security and foreign policy of the United States and in the best interest of the U.S. defense industry, to publish a final rule that extends the temporary modification of USML XI(b) for one year, to August 30, 2019, to allow it to be revised as part of the wholesale revision of USML Category XI. On February 12, 2018, the Department published a Notice of Inquiry (83 FR 5970) requesting public comment on USML Categories V, X and XI. The Department and the interagency are reviewing the public comments submitted in response, and the Department is drafting a proposed rule setting out revised versions of the three categories for public comment. Extending the temporary revisions of USML Category XI(b) now will allow the U.S. government to finalize its review of USML Category XI, with rulemaking to follow, to include any further modifications to USML Category XI paragraph (b) as may be warranted.

#### Regulatory Findings

##### *Administrative Procedure Act*

This rulemaking is exempt from section 553 (Rulemaking) and section 554 (Adjudications) of the Administrative Procedure Act (APA) pursuant to 5 U.S.C. 553(a)(1) as a military or foreign affairs function of the United States Government.

##### *Regulatory Flexibility Act*

Since the Department is of the opinion that this rule is exempt from the provisions of 5 U.S.C. 553, there is no requirement for an analysis under the Regulatory Flexibility Act.

##### *Unfunded Mandates Reform Act of 1995*

This rulemaking does not involve a mandate that will result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any year and it will not significantly or uniquely affect small governments.

Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

*Small Business Regulatory Enforcement Fairness Act of 1996*

The Department does not believe this rulemaking is a major rule under the criteria of 5 U.S.C. 804.

*Executive Orders 12372 and 13132*

This rulemaking does not have sufficient federalism implications to require consultations or warrant the preparation of a federalism summary impact statement. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities do not apply to this rulemaking.

*Executive Orders 12866 and 13563*

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributed impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rulemaking is a significant but not an economically significant rule, under the criteria of Executive Order 12866, and is consistent with the provisions of Executive Order 13563.

*Executive Order 12988*

The Department of State has reviewed this rulemaking in light of sections 3(a) and 3(b)(2) of Executive Order 12988 to eliminate ambiguity, minimize litigation, establish clear legal standards, and reduce burden.

*Executive Order 13175*

The Department of State has determined that this rulemaking will not have tribal implications, will not impose substantial direct compliance costs on Indian tribal governments, and will not preempt tribal law. Accordingly, the requirements of Executive Order 13175 do not apply to this rulemaking.

*Paperwork Reduction Act*

This rulemaking does not impose or revise any information collections subject to 44 U.S.C. chapter 35.

*Executive Order 13771*

This rule is not subject to the requirements of E.O. 13771 (82 FR 9339, February 3, 2017).
